22 Civ. 7557 (JPC)

ORDER

JOHN P. CRONAN, United States District Judge:

The Complaint in this action was filed on September 5, 2022. Dkt. 1. Defendants have not appeared in this action, and the docket does not reflect whether Defendants have been served. Pursuant to Federal Rule of Civil Procedure 4(m), “[i]f a defendant is not served within 90 days after the complaint is filed, the court—on motion or on its own after notice to the plaintiff—must dismiss the action without prejudice against that defendant or order that service be made within a specified time.” Fed. R. Civ. P. 4(m). On December 9, 2022, the Court therefore ordered Plaintiff to file a status letter by December 15, 2022, describing (1) whether service of the summons and Complaint had been made on Defendants, and (2) if service had not been effected on Defendants, whether Plaintiff requested an extension of time to serve Defendants. The docket reflects that no such status letter was filed. Unless that letter is filed by December 22, 2022, explaining why there is good cause to excuse Plaintiff’s failure to serve Defendants within the 90-day deadline set by Rule 4(m), the Court will dismiss this case.

SO ORDERED.
